

VILLA VICTORIA

ACADEMY

February 20, 2017

Dear Villa Victoria Family,

As part of our renewed efforts to keep our Villa family informed, you will be receiving updates in your inbox on a periodic basis. These updates will also be available on a new section of the website on the "About Us" page. The section will be called "Moving Villa Forward"– which is what we are doing! You will be able to review the current update and check past updates throughout the year.

Here is Update #1.

- The "Moving Villa Forward" Steering Committee has met and has several meetings planned for February and March. They will begin drafting plans (with some implementation in school year 2017-18, some in school year 2018-19 and some in school year 2019-2020) regarding the following areas (but not limited to). These upgrades will be paid for by the Religious Teachers Filippini Community. No funds will be required of parents. More detail will be provided in the coming weeks.

1. Technology
2. Facilities (interior and exterior)
3. Fine and performing arts
4. Sports program
5. Curriculum and course enhancements

- The Steering Committee will examine data from student and parent surveys and previous teacher brainstorming sessions
- The Steering Committee will conduct an Alumnae survey to solicit help and ideas
- The Steering Committee will conduct several focus group meetings with parents, alumnae, others in the coming months
- Villa will identify and hire a development director or consultant and other support staff for Admissions, Communications, Alumnae efforts
- Villa will finish the installation of digital sign on campus

We are excited about the future enhancements to our school and program. We will be reaching out to you regarding opportunities to get involved and share your

time and talents with the Villa community.

Please do not hesitate to contact us with comments or questions.

Sincerely,

The Moving Villa Forward Steering Committee
