

Update #2

The "Moving Villa Forward" Steering Committee has continued to meet weekly during March and April to discuss future improvements. All improvements are subject to approval by the Board of Directors and the Board of Trustees. Since the last update, the following have taken place:

- A survey has been designed to solicit help and ideas from Alumnae and is scheduled for April distribution.
- Two dates have been set aside for targeted projects. Parent help will be needed at school on May 13 and May 20 from 9 am to 1 pm. Please mark your calendars. Details to follow.
- A technology assessment has taken place with particular focus on improving technology infrastructure
- Estimates have been collected for the following:
 - New paving on campus
 - Landscaping on campus with particular focus on the areas along Route 29 and West Upper Ferry Road
 - Updated furniture in classrooms and common areas
 - Painting and other classroom and hallway improvements
 - Renovations to the dining hall, library and the lobby
 - New carpeting in the Villa Theatre and the Theatre Lobby

We are excited about the future enhancements to our school and program! We are currently creating a plan to implement as many items on our "wish list" as possible.

Please do not hesitate to contact us with comments or questions.

Sincerely,

The Moving Villa Forward Steering Committee

Mr. Chuck Machion, Alumnae Parent '04, Board Member cmachion.villavictoria@gmail.com

Mrs. Colleen White, Director of Admissions, cwhite.villavictoria@gmail.com

Sr. Lesley Draper, MPF, Principal, srlesley.villavictoria@gmail.com

Sr. Marianne McCann, MPF, Board member, principal@pvihs.org

Ms. Alisandra Carnevale, Villa '02, Board Member, alisandracarnevale@gmail.com
