

VILLA VICTORIA

ACADEMY

July 20, 2017

Dear Villa Victoria Family,

As part of our renewed efforts to keep our Villa family informed, you will be receiving updates in your inbox on a periodic basis. These updates will also be available on a new section of the website on the "About Us" page. The section will be called "Moving Villa Forward." You will be able to review the current update and check past updates throughout the year.

Update #3:

My thanks to the "Moving Villa Forward" Steering Committee. Over the past year they have designed a plan for facility improvements. This plan has been approved by the Religious Teachers Filippini Board of Trustees. At Villa this summer renovations are taking place including:

- New wiring for improved wifi
- Renovations to the theatre and theatre lobby including new carpet and painting
- New furniture has been ordered for the high school classrooms
- Renovations and new furniture for the dining hall
- Painting and other classroom and hallway improvements
- Renovations to second floor bathroom
- Renovations and new furniture for the library/media center
- New furniture and artwork for the lobby
- And much more

We are excited about the future enhancements to our school and program! We are planning an unveiling of the "new" Villa on September 24, Sunday. All friends, alumnae and past and current Villa families are invited to tour the building and join us for mass and refreshments. Please mark your calendars!

Villa is undergoing many exciting changes. I will keep you updated.

All of our friends remain in our daily prayers. And please continue to pray for the

safety of those working in our building this summer.

God bless.

Sincerely,
