Alumnae E-News Volume 102 February 2024

Villa Alumnae Speaker Series

On January 25, 2024 Villa grad Teresa Bayer '06 shared her Villa and post-Villa experiences with the current students and faculty at our 2023-2024 Alumnae Speaker Series.

After graduating from Villa, Teresa received her Bachelors in Anthropology and Visual and Dramatic Arts (theater) from Rice University in Houston, Texas and went on to receive an MFA in Performance from the University of Maryland, College Park. In addition, she received an MBA from the University of Texas at Austin.

Professionally, she has had a winding career, working in New York theater, as a marketer, playwright, director, producer, and costume designer, and technology (marketing both PCs and cloud technology at big tech companies).

Teresa is currently the Director of Marketing at Playwrights Horizons, a 50+ year old, Pulitzer-prize winning Off-Broadway theater company dedicated to the development and production of new work by living American playwrights.

Teresa told the girls that her love for theater stemmed from her Villa days where she participated in 7 musicals, 1 play, and 13 (yes, 13) Villa Christmas concerts.

After living over nine years of her adult life in sunny Texas, she is enjoying the adventure of raising a family with her husband in New York City. She has one toddler, one baby on the way and one 60-pound dog!

Teresa (center) was joined at the Speaker Series by two of her fellow Villa sisters, Bethanne Warrack '75 (left) and Priscilla Polizzi '23 (right).

All Villa grads are invited to join us for the Speaker Series. The next one will be held in the Spring.
